Raj Science School

2020 - 2022

Percentage: 64%

SSC

Bhushan High School

2018 - 2020

Percentage: 82%

WORK EXPERIENCE

Full Stack Developer Intern

Litbylines Technologies | 2025 - 2026

Completed a 6-month Full Stack Developer internship, working across front-end and back-end technologies to build scalable, user-focused web applications, while contributing to real-world projects through clean code practices, API integration, testing, and performance optimization.

PROJECTS

Tech Verse | 2024-2025

Tech Verse - A .NET-based e-commerce platform for buying laptops, computers, and accessories, built with ASP.NET (front-end & back-end), RESTful APIs, and SQL Server for secure transactions and inventory management.

Faculty Management System using the MEAN Stack | 2023-2024

Built a Faculty Management System using the MEAN stack for managing profiles, schedules, and evaluations. Ensured a responsive UI with Angular and seamless data handling via MongoDB.
